REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In partnership with our community, the faculty and staff of Gilbert Middle School continue to prepare our students to be self-directed learners and contributing citizens in our global 21st century society. As an acknowledgment of the hard work of our students and faculty, we received the S.C. State Department of Education's Palmetto Silver Award for academic achievement, the second consecutive year GMS has received this honor.

Student achievement data indicate that a barrier to some students' improved achievement is their performance in English language arts including writing. Measures of Academic Performance (MAP) assessment scores, Palmetto Assessment of State Standards (PASS) scores, as well as data collected through our district-wide writing prompts provide the data necessary to make appropriate curricular and instructional decisions to meet our learners where they are and help them succeed.

We developed our school's professional development plan based on student assessment data. This year's plan focused on increasing rigor in instruction in all content areas, improving classroom culture and providing teachers with strategies they can use to help students develop stronger learning skills. We are ensuring that instruction moves from modeling and guided practice to collaborative work among students, then on to independent activities that demonstrate students' mastery of the concepts taught.

GMS students participated in numerous projects serving others, raising funds and awareness for a variety of causes. Students collected \$3,000 for Honor Flight of South Carolina to help send six World War II veterans to Washington, D.C. We are proud of our students' efforts to raise money for Relay For Life and Pennies for Patients. Our ProTeam students continued their yearly support of Gilbert Primary School's Special Olympic athletes.

We continue to take pride in the success our students find in the arts and on the athletic fields. Our band, chorus and orchestra students achieved numerous superior and excellent ratings from festivals and competitions throughout the Southeast.

We are grateful for our community's support and involvement in our school. The PTO and SIC have worked very hard to enhance each student's educational experience, and we thank them for their efforts.
